Dear Mr. Fry:

This letter responds to the Silverline Railroad submission dated October 17, 2022, to the Federal Railroad Administration (FRA) seeking approval of its Engineer Certification Program received by FRA on October 17, 2022. (SLVR) has complied with FRA's procedures for submission and approval of the program as described in Appendix B to 49 CFR part 240.

On October 17, 2022, the railroad provided an email that stated your railroad does not have union representation for your train service employees.

The Silverline program complies with 49 CFR Part 240 requirements and Appendix B of Part 240. However, please remember any material modifications introduced into the plan must be submitted to FRA for approval before implementing those changes.

Please contact me with any questions regarding this submission at (202) 366-0978 or FRAOPCERTPROG@dot.gov or Kevin.Lewis@dot.gov

Sincerely,

Kevin Lewis
FRA Program Manager – Certification
