Dear Ms. Shingleton:

This letter responds to the Utah Transit Authority - FrontRunner (UTA) May 10th, 2024, submission to the Federal Railroad Administration (FRA) seeking approval of its modifications to its approved Conductor Certification Program. FRA reviewed your submission and determined that it is a non-material modification that does not require FRA's approval.

Thank you for your submission so that FRA can maintain a current version of the approved program and please contact me at (phone) or FRAOPCERTPROG@dot.gov, with any questions or concerns.

Sincerely,

Kevin Lewis
