

Motive, Power & Equipment (MP&E)

Movement approvals are provided by two different FRA divisions:

Hazardous Materials Division

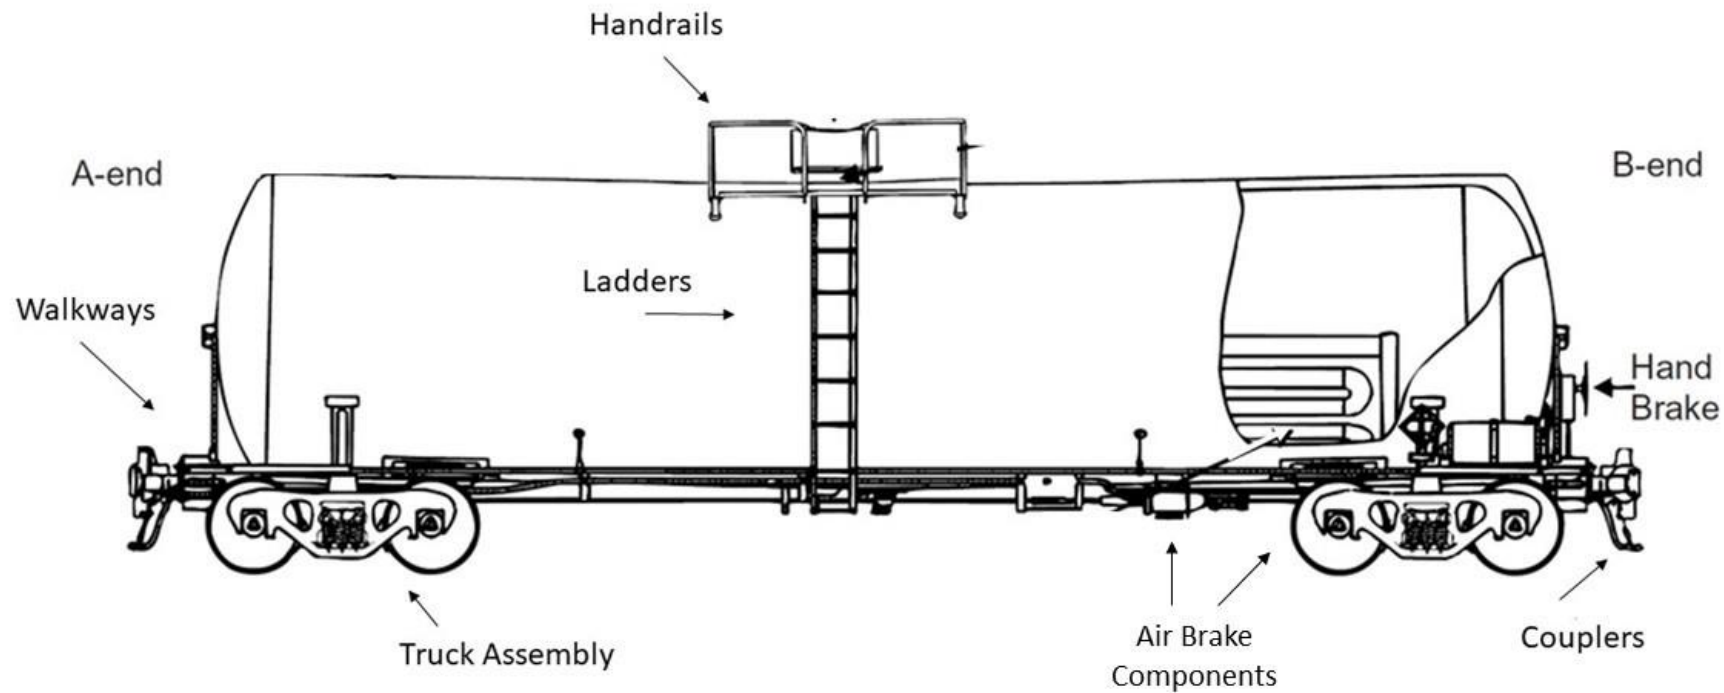

Motive, Power & Equipment Division

The type of defect condition determines which division provides the movement approval.
The next two slides provide information about defect conditions and movement approvals.

Motive, Power & Equipment (MP&E) Contact: **Gary.Fairbanks@dot.gov**

Motive, Power & Equipment (MP&E) Defective Conditions

Defective conditions covered by the Motive, Power & Equipment Division are below.

*MP&E also provides movement approvals for overaged cars.

Hazardous Materials Defective Conditions

Defective conditions covered by the Hazardous Materials Division are below.
