April 14, 2025

Mr. Scruggs,

This letter responds to the April 1, 2025, submission by the Southern California Regional Railroad Association (SCRRA) to the Federal Railroad Administration (FRA) seeking approval of its Arrow / Metrolink (SCAX) Conductor Certification Program. FRA received the submission on April 1, 2025. Alstom manages the certification program in coordination with Transportation Certification Services (TCS).

SCAX has complied with the submission requirements outlined in 49 CFR Part 242. Based on FRA's review, we have determined that the program conforms to the requirements of that part.

Your submission also states that no labor organizations represent SCAX employees.

The program is consistent with the structure and intent of previously approved certification programs. FRA appreciates your continued commitment to improving the safety of your railroad operations.

Please contact us with any questions regarding this submission at (918) 557-0651 or FRAOPCERTPROG@dot.gov or Kevin.Lewis@dot.gov or Kurt.Erickson@dot.gov

Sincerely,

Kevin Lewis
FRA Program Manager
Engineer and Conductor Certification & Training
