# Memorandum

Date: JUL 16 1993

Reply to Attn. of:

HM-93-07

OP-93-02

Subject: **Action: Separate .65 Reports for Violations**

From: Edward R. English  
Director, Office of Safety Enforcement

To: Regional Directors

During the course of field inspections, whenever deficiencies resulting in violations are determined, these shall be documented on a separate .65 report form from deficiencies which do not result in violations.

Operating Practices Specialist

See Distribution

Attached please find OP Bulletin **OP-93-02** and Hazmat Bulletin HM-93-07.

All inspections requiring the use of FRA Form 6180.65 and which will result in violations, will generate a separate .65 for deficiencies and violations. Each .65 will receive a separate report number.

OP inspectors please insure that this bulletin is included in your file of current bulletins.
